

## Here's [HOW] you can maximize your oral health at no additional cost.

A healthy mouth is a vital part of your overall health, and Delta Dental of Wyoming cares about yours. That's why we're introducing Health *through* Oral Wellness® (or, HOW® for short). HOW is a unique, patient-centered program that adds additional benefits to your dental plan, based on your individual oral health needs. By having your dentist perform a simple risk assessment, you may have access to additional preventive and health-sustaining benefits.

### HOW TO GET STARTED:

*First*, simply request an Oral Health Risk Assessment at the beginning of your dental visit.

*Second*, if you qualify based on your results, Delta Dental of Wyoming will release, or 'unlock' specific additional benefits.

### BELOW ARE JUST SOME OF THE BENEFITS THAT MAY BE COVERED BASED ON RISK SCORES

- ✓ Additional Cleanings
- ✓ Additional Sealants (child and adult)
- ✓ Fluoride (child and adult)
- ✓ Periodontal Maintenance (gum disease treatment)
- ✓ Tobacco Cessation Counseling

If you have questions or would like to contact us for more information about the new Health *through* Oral Wellness program, please contact us by phone at (307) 632-3313 or toll-free at (800) 735-3379 or by email at [customerservice@deltadentalwy.org](mailto:customerservice@deltadentalwy.org).

All enhanced benefits are subject to the patient meeting their plan's annual maximum and other limitations. A risk assessment must be performed at least once every 12 months. Enhanced benefits and standard policy requirements, including coinsurance percentages, copayments and plan maximums, may be subject to changes.

## Health through Oral Wellness

*You may qualify for more benefits!*

When it comes to oral health, one size does not fit all. Delta Dental of Wyoming knows that some people need more care than others.

Our Health through Oral Wellness program (or HOW<sup>®</sup> for short) offers extra benefits and care for subscribers and dependents at greater risk for oral diseases at no additional cost.

The program uses an oral health risk assessment tool through Delta Dental's partnership with Previser to help determine your risk of tooth decay, gum disease and/or oral cancer. Your dentist can complete the oral health risk assessment at your next dental visit. Based on your risk score, you may qualify for enhanced benefits\*.

Enhanced benefits include cleanings, fluoride treatments, sealants, periodontal maintenance and more.

\*All enhanced benefits are subject to meeting your plans annual maximum and other limitations.

This new enhancement to your Delta Dental benefits begins  
January 1, 2022.
