* The baccalaureate, master's, and doctoral programs in nursing at Aspen University are accredited by the Commission on Collegiate Nursing Education (<http://www.aacnnursing.org/CCNE>).

1. The total cost of your degree program will vary depending upon which program you choose, tuition discounts, transfer credits awarded, course retakes, and the cost of textbooks.

2. The Monthly Payment Plan is a private education loan with a 0% fixed rate of interest (0% APR). There is no down payment required. For qualifying bachelor's degree programs each month you'll make one payment of \$250, for qualifying master's degree programs each month you'll make one payment of \$325, and for qualifying doctoral programs each month you'll make one payment of \$375, until you have paid off the total cost of your degree program. Your monthly payments are applied to the tuition and fees you incur while completing your degree.

3. The number of courses and credits vary depending upon the program of choice, and the completion times listed above require full time attendance.

Quality, affordable, and convenient college degrees aren't just for nurses. For those of you looking for something different, check out our complete list of educational programs listed below.
