

How to Sign in to HealthStream using Single-Sign-On (SSO):

From the Cheyenne Regional Intranet Site:

- Click on Staff Resources -> HealthStream
- You will see a login page (shown below).
- Enter your username and password. Format will be **umcwy\<username>**.
NOTE: this is how you sign in to HCM

The screenshot shows the login interface for the Cheyenne Regional Medical Center. The left side features a blue background with the center's logo and name. The right side is a white panel containing the login form. The form includes a heading 'Sign in with your organizational account', a username field with the example 'umcwy/rathman', a password field, and a 'Sign in' button.

From Cheyenne Regional External Site:

- Visit www.cheyenneregional.org
- Scroll to the bottom of the page and select **"Staff/Employees"**
- Select **HealthStream**
- Follow steps as above
