CONNECTING YOU TO YOUR CARE WITH MyChart

STAY ON TOP OF YOUR HEALTH 🧪💊📝
- View test results as soon as they're ready
- View your medications, allergies, health issues and immunizations
- Request medication refills
- Track preventive care and overdue screenings
- View and manage your care goals and to-do tasks

CONNECT WITH YOUR CARE TEAM 👩‍⚕️🩺
- See your full care team and their contact info
- Message your doctor or clinic staff securely
- Ask medical questions and receive guidance
- View letters and messages from your providers
- Complete questionnaires

MANAGE YOUR APPOINTMENTS 🗺️📅
- View past and upcoming appointments
- Schedule or cancel visits online, including sick visits
- Complete eCheck-In from home to save time
- Access telehealth/video visit instructions and attend virtual visits

ACCESS CARE FOR FAMILY (PROXY ACCESS) 📁✅
- Stay on top of everyone's appointments
- Update personal and family history, allergies and medications
- Assist family members who need extra help, from your account.

TOOLS FOR HOSPITAL STAYS 🔄✍️
- Use MyChart Bedside to view your care schedule and care team
- Learn about your conditions
- Share important information about your health
- Record important information for later
- Make non-urgent requests (e.g., fresh linens, snacks)
- Track your newborn's care if you're a new parent

BILLING AND INSURANCE 💳📒
- See your balance and make payments online
- Sign up for paperless billing
- Get estimates for care costs
- Update your insurance details easily
- Qualifying patients can apply for financial assistance

CUSTOMIZE AND SECURE YOUR EXPERIENCE 💬✉️📞📱
- Set your preferred notification options (texts, emails, phone, push notifications)
- Personalize your profile and photo
- Use two-step verification for extra security

USE MYCHART ON THE GO 📁🪪
- Download the MyChart app on your phone or tablet
- Do everything listed above anytime, anywhere

NOT ON MyChart?
Signing up is easy. Go to **www.mychart.crmcwy.org** or **download the app.**
