

CONNECTING YOU TO YOUR CARE WITH

MyChart bedside

MyChart Bedside is ready on your personal device.
Open MyChart during your stay and tap "View Current Visit."

TRACK YOUR DAILY SCHEDULE & STAY CONNECTED WITH YOUR CARE TEAM

View your upcoming tasks, appointments, medications, classes and procedures, as well as care team member details like names, roles and photos.

SEE YOUR TEST RESULTS & CARE TEAM NOTES

Automatically view released test results and clinician notes shared with you during your current admission.

MANAGE PROXY ACCESS & ALLOW FRIENDS & FAMILY TO SEE UPDATES

Patients and proxies can invite loved ones to view updates through a guest portal and can approve, decline or revoke viewer access at any time.

ACCESS QUESTIONNAIRES, EDUCATION & DOCUMENTS

Patients can complete assigned questionnaires with responses sent back in real time, review clinician-assigned education and helpful links as well as read and electronically sign documents.

NOT ON MyChart? SIGNING UP IS EASY.

Go to www.mychart.crmcw.org or download the app.
